

TALON ZK™

BRING IT ON.

2005 TALON ZK SPORT UTILITY TRAVEL TRAILERS & FIFTH WHEELS BY JAYCO

TALON ZX™

GET OUT AND GO!

Jayco

THE TALON ZX TRAVEL TRAILER

Whether it's offroad or backroad adventure you seek, Jayco's Talon ZX Travel Trailer is set to take you there. With our new extended ramp, increased ramp capacity, and heavy-duty tie-down rings, you can load everything—from bikes to snowmobiles—with confidence.

Once you're done "playing" for the day, just pull down the queen bed, fold out the sofas, and you've converted this sport utility trailer into an awesome living space with all the comforts of home. Custom upholstery by Jayco, a convenient kitchen and a separate bedroom and bathroom offer everything you need for kicking back after letting it rip all day long.

With the optional 25-gallon fuel station, there's little down time. It's just pump and go.

- The Talon ZX T28A floorplan offers everything you'd expect in a 28-foot trailer – and then some!
- Keeping the bugs out and the breeze in is simple with this optional screen wall.
- The pull-down bed, double fold out sofas and separate bedroom offer tons of sleeping space.

Jayco's tie-down rings are each rated for 2,500 lbs. No matter what you're hauling, keeping things in place will NOT be a problem in the Talon ZX.

TALON ZX™

STOP, DROP, AND RIDE!

Jayco

THE TALON ZX FIFTH WHEEL

Looking for a sport utility trailer that's built to bring it on? Then look no further than Jayco's Talon ZX Fifth Wheel. Our 102" wide body frame gives you the cargo space you need to stop, drop and ride. And the 6-inch cambered I-beam frame, 2500 lb. rated ramp door, and Polyflex™ underbelly covering all offer the rugged durability you need for the long haul.

Whether you're spending a day in the duck blind or a day in the dunes, the uses for the Talon ZX are endless. Hunting, collecting antiques, off-road adventures—even transporting pets—are all made easier with the Talon ZX Fifth Wheel.

With the interior wall separating the garage from the living quarters as an option in all Talon ZX models, so is hauling both machine and beast.

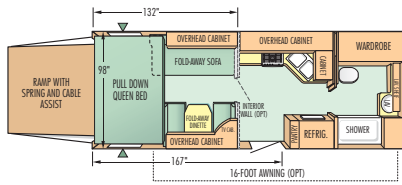

- The optional screen room bears up to 1,000 lbs., and provides even more space to spread things out.
- The durable, non-slip flooring makes trips up and down the ramp worry-free.
- The Talon ZX fifth wheel sidewalls feature a premium, long-lasting fiberglass finish.

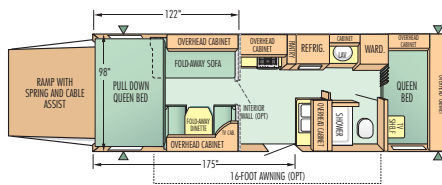

The new Talon ZX features an extra wide 102-inch exterior, making dual loads like these full size quads no problem at all.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo and dealer-installed accessories* that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW.

*The addition of options will decrease the CCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. Jayco affixes a weight label to each RV which lists weight information for that vehicle.

- A. The F36Z's master bed/bath combo features lots of storage space and a comfy queen bed to boot.
- B. Triple battery storage area offers a perfect place for powering up.
- C. Huge storage areas make it easy to throw your gear in and go.
- D. Give your toys a good cleaning before you load with this handy pressure nozzle hose.

SPIN CITY BLUE

TABASCO

AT JAYCO, WE'RE IN IT FOR THE LONG HAUL.

Once you own a Talon ZX, you'll find out that Jayco takes the whole "service-after-the-sale" thing seriously. In fact, our 91,000 square-foot, state-of-the-art Jayco Service Center was built for the sole purpose of responding to customer and dealer needs fast and effectively. With the Jayco Service Center, you'll reap the following benefits:

- *With Warranty, Service and Parts all under one roof, we can answer your concerns quickly and efficiently, no matter what the issue.*
- *A completely automated and computerized system registers your Talon ZX the moment you pull off the lot, providing prompt and accurate service down the road.*
- *The Jayco Xpress online network links Jayco Customer Service to dealers across the country, allowing them to order parts, check the status of orders, and check pricing and availability of parts in real time.*
- *15 bays feeding into a spacious work area means when customers are passing through Indiana and they need assistance, we're ready to help.*
- *Automated carousels stocked with a large inventory of parts help dealers keep you moving right along.*

At Jayco, we're in it for the long haul. And with our exclusive Jayco Service Center, we're proving it one customer at a time.

THIS WARRANTY RULES!

The Jayco 2+3 Warranty is a manufacturer's limited warranty. It doesn't come from your dealer and it's not an extended warranty! It comes from the people who build Jayco recreational vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months from the date of purchase against defects in materials and workmanship. The Jayco warranty includes a limited three-year (3) structural guarantee and, in addition, our limited warranty may be transferred one time within the first two (2) years. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our web site at www.jayco.com.

A LEGACY OF CRAFTSMANSHIP

Jayco has been blessed with some of America's finest craftsmen who make Middlebury, Indiana and the Jayco plant their home and workplace. Generation after generation, a legacy of tried-and-true construction methods is passed down, continuing the tradition of quality and durability that has helped Jayco grow into a true industry leader.
