

SENECA™
Comfort + Drivability.

2007 Seneca Heavy-Duty Motorhomes by Jayco®

2007 SENECA Heavy-Duty Motorhomes

MOTORHOMES BY JAYCO®

AMERICA'S MOST **LIVEABLE** RVs.

"Liveable" may mean what you see, what you feel or even what you trust about a Jayco. But one thing is for certain, "liveable" is the reason why more people across North America are making Jayco their choice in RVs.

SENECA™

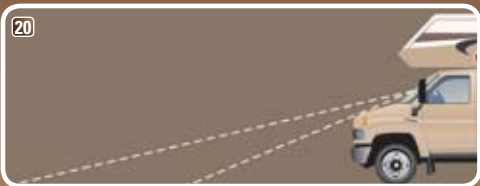

Comfort + Drivability.

Invisible Liveables.

Seneca's welded aluminum framework and one-piece fiberglass roof sits on the back of Chevy's I-Beam Wide Trac chassis. Up front is the tried-and-true 6.6 liter Duramax turbo diesel combined with an Allison® 5-speed automatic transmission. Set back axle and a 53-degree wheel cut means the best in maneuverability.

- 1 Under the Seneca's hood is the powerful Duramax V8 turbo diesel engine, 5-speed automatic Allison® 1000 Series transmission with overdrive, 150-amp. alternator, and 1000-watt engine block heater.
- 2 TuffShell™ vacuum-bond laminated sidewalls add heavy-duty performance without heavy weight.
- 3 Smooth gel-coat fiberglass sidewalls create a surface that is both easy to maintain and abrasion resistant.
- 4 1/8" luan board adds strength to the sidewalls and roof.
- 5 Bead foam insulation (R-25 roof, R-9 floor, R-9 walls) helps keep the living space more comfortable.
- 6 Welded tubular aluminum sidewall framework offers lightweight durability.
- 7 One-piece, TuffShell™ vacuum-bond laminated fiberglass roof is 5 inches thick.
- 8 Central air conditioning features foam insulated ducts for improved airflow and cooling.
- 9 The vinyl ceiling is padded to help deaden sound and provide a quieter interior.
- 10 Heavy-duty, retractable entrance steps are electric powered for ease of use.
- 11 Unitized, 1-1/2" laminated floor puts a firm foundation underfoot.
- 12 3/8" Structurwood® flooring adds another layer of strength.
- 13 Carpet pad provides enhanced durability and comfort.
- 14 Attractive, easy-care carpet helps create a homelike interior.
- 15 One-piece underbelly covering reduces drag for better fuel economy and protects from grime and road debris.
- 16 Electric slideout systems increase your living space with the push of a button.
- 17 Our Carefree® 12V Eclipse electric patio awning is quick and easy to use and provides shade for your outdoor gatherings.
- 18 Tinted safety glass windows cut down on glare.
- 19 Floor trusses under the Seneca create more storage space for all your travel needs.
- 20 Seneca's design provides superior visibility from the cab. Thanks to a large windshield and sloped hood, you can see objects as close as 13 feet from the bumper.
- 21 Heated and lighted, the large remote side mirrors with 6" x 7" convex sections boost safety by giving you a better view.
- 22 5,500-watt Onan® Quiet Diesel generator features auto-changeover and Energy™ command center.
- 23 Enjoy peace of mind while on the road with quality highway tread tires and Alcoa® aluminum rims.
- 24 Hydraulic leveling jacks automatically adjust the Seneca to the optimal position with the push of a button.
- 25 Outside utility center is designed for your convenience.
- 26 Interior Command Center™ lets you control all generator and slideout functions from one spot.
- 27 Large, one-piece polyethylene storage compartments feature pass-through access and keep bulky outdoor equipment close at hand but out of sight.
- 28 Molded fiberglass front cap is reinforced and dent resistant.

Incredible Liveables.

Pass-through basement storage and handcrafted maple cabinetry say "Class A." Centralized controls for the generator and slideouts inside and all valve controls in one location outside say "smart." Only the price and one test drive will tell you it's a very special Class C.

SENECA HD™
Comfort + Drivability.

Inside is all the convenient equipment you need plus the spacious luxury you want — a superbly appointed kitchen, the standard leather hide-a-bed sofa for incredible round-the-clock comfort, and plenty of storage hidden behind handcrafted Northridge Maple cabinetry.

The entertainment center above the cab features a home theater system with Dolby Digital 5.1 surround sound and 27" flat screen TV.

Enjoy those long drives more with fully adjustable upgraded recliners, padded fabric head liners, premium CD player and tilting steering wheel.

Dark Chestnut Premium Paint Package

2007 Seneca HD by Jayco®

MOTORHOMES BY JAYCO®

Incomparable Liveables.

The well equipped kitchen features J-Stone® solid countertops and an optional convection microwave. The bathroom has an angled shower with skylight, vanity and private toilet.

SENECA HD™
Comfort + Drivability.

34SS in Grand Cayman Cordovan

Ample storage, including a large wardrobe and under-bed compartment, keeps the bedroom clutter-free while the pillow-top queen mattress, quilted bedspread and matching shams create a restful oasis.

The bathroom sparkles with added touches including a neo-angle shower with glass door and skylight, porcelain stool and mirrored medicine cabinet.

Practicality mixes with beauty in this homestyle kitchen equipped with a 3-burner range, 8 cu. ft. refrigerator, optional convection microwave and J-Stone™ solid surface countertops.

SENECA ZX™
Comfort + Drivability.

Loadable Liveables.

Seneca ZX, the toy hauler with five star accommodations. Anything you can fit on the 90"x 96" power lift tailgate will fit in your ZX. Throw in the optional Racing Red premium paint package and you have an outside as hot as the inside. Seneca, the only Class C good enough to be called a ZX toy hauler.

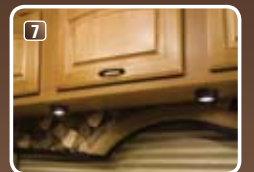

treadlightly!
OFFICIAL SPONSOR

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Racing Red Premium Paint Package

- 1 The Seneca ZX's garage makes it easy to take your toys with you. There's room for a couple of motorcycles or ATVs, plus overhead cabinets for the smaller stuff.
- 2 Tie-down rings and non-skid flooring keep everything secure in transit.
- 3 Roomy steel garage cabinets house your supplies off the floor and out of sight.
- 4 Go ahead and bring your vehicle along — the Seneca ZX can tow up to 8,000 lbs.
- 5 After you play hard, relax and enjoy the softer side in the luxuriously furnished living space.
- 6 Enjoy the push-button convenience of an electric foldout couch.
- 7 Northridge Maple cabinetry, along with a fluorescent and halogen lighting package, adds warmth to your home away from home.
- 8 J-Stone® solid surface countertops add style and space to the Seneca ZX's kitchen.

Measurable Liveables.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options, or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo, and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

- \$2,000 trip interruption reimbursement
- **Free** jump starts
- **Free** tire changes
- **Free** fuel delivery
- **Free** lockout service
- **Free** travelers checks

We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at www.jayco.com.
