MOTORHOMES BY JAYCO

Meet the 2009 Seneca—the spacious and comfortable home away from home that's powerful and easy to drive. The Seneca's richly appointed interiors offer the comfort and luxury of an upscale Class A motorhome but with the maneuverability, convenience and price tag of a Class C.

2009  
**SENECA**

#### PROTECTION FROM THE ELEMENTS

A seamless one-piece rubber roof ④ covers 5" aluminum trusses ⑤ with bead foam insulation (R-25 max) ⑥ and vinyl ceiling ⑦. This one-piece fiberglass roof offers superior protection from rain, heat and noise.

#### LIGHTWEIGHT AND DURABLE

Our Tuffshell™ sidewall construction features a light-weight aluminum frame ①, efficient bead foam insulation (R-9 max) ② and 3/16" plywood ③ that is vacuum-bonded for superior strength and weight reduction.

#### POWER FOR THE ROAD

With a 6-speed Allison® Series automatic transmission, 330 HP Duramax® 6.6L diesel engine ⑧ and 8,000 lb hitch ⑨, the Seneca gives you the confidence to tackle mountain passes or tow a vehicle to just about any destination.

#### CONVENIENCE AND COMFORT

Design features such as large lockable storage compartments ⑩, tinted safety glass windows ⑪, central air conditioning ⑫, a Carefree® electric patio awning ⑬ and electric powered entrance steps ⑭ make life comfortable and convenient.

#### A FIRM FOUNDATION

A unitized 1½" laminated frame ⑮ combines with bead foam insulation (R-9 max) ⑯, 3/8" one-piece Structurwood® flooring ⑰, durable carpet pad ⑱ and easy-care carpet ⑲ to create a firm foundation for daily life.

#### PEACE OF MIND

With a 2-year Co-Pilot manufacturer's limited warranty\* and over 300 Jayco dealers throughout North America, our owners enjoy peace of mind.

*\* For full warranty details, see back cover.*

## Big on comfort

Tranquility abounds in the Seneca—available in four spacious floorplans that range in size from a 35' single slide to a 37' triple slide. You'll feel right at home relaxing on the leather hide-a-bed sofa, watching a movie on the 32" TV or kicking back with a novel in the queen size bed. The Seneca is packed with upscale touches like Northridge Maple cabinetry, oil-rubbed bronze cabinet hardware and J-Stone™ solid surface countertops.

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies.

The comfortable-to-drive Seneca allows you to enjoy long drives with fully adjustable recliners, padded fabric head liners, premium CD player and tilt steering wheel.

### HYDRAULIC LEVELING JACKS

Automatically adjust the Seneca to the optimal position with the push of a button.

### UTILITY CENTER

Outside utility center is designed for your convenience.

### HIGHWAY TREAD TIRES

Enjoy peace of mind while on the road with quality highway tread tires and Alcoa® aluminum rims.

### BACKUP MONITOR

The optional built-in back-up color camera and monitor add an extra layer of safety.

2009  
**SENECA**

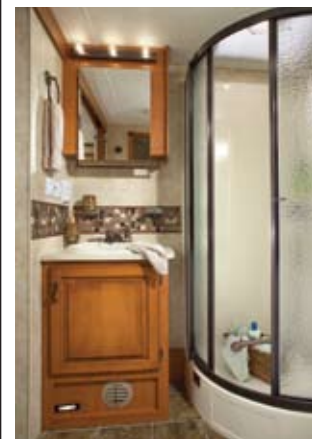

35GS | NICKEL

Oil-rubbed bronze fixtures, a fiberglass radius shower and rounded glass shower doors add an upscale residential style to the bathroom.

Cook great meals on the road in the attractive and functional kitchen that's equipped with a 3-burner range, J-Stone™ solid surface countertops and an optional convection microwave.

The tastefully-decorated bedroom features a queen size bed, halogen reading lights and ample storage. A decorative headboard accents the luxurious comforter and pillow shams.

## Don't forget your toys

With the Seneca ZX, you don't have to leave your toys at home. The 90" by 96" power lift tailgate provides tons of storage space for a couple of motorcycles or ATVs. After a day of riding, enjoy all the comforts of home—a large 8-cubic foot refrigerator, range, microwave, raised panel cabinets and residential-style doors and hip, comfy interiors.

The comfortable-to-drive Seneca allows you to enjoy long drives with fully adjustable recliners, padded fabric head liners, premium CD player and tilt steering wheel.

The industrial-strength power lift tailgate has a 1,600 lb. capacity, making it simple to load your motorcycles or ATVs into the garage with the push of a button.

2009  
**SENECA ZX**

35TM | CORDOVAN

The garage features an impressive 120"x 97" interior cargo dimensions and with 91¼"x 72" cargo door dimensions. Plus, it's lockable, keeping your prized possessions safe and secure in Seneca ZX's spacious and functional garage.

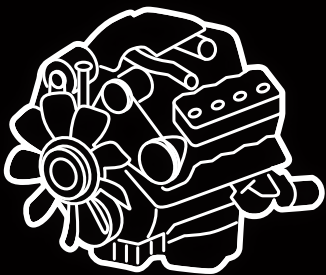

The optional electric bed option in the cargo area easily transforms the garage into an extra sleeping area with one queen bed for two people.

The Seneca ZX has all the comforts of home, including a large black stainless steel 8-cubic foot refrigerator, range, microwave, raised panel cabinets, residential-style doors and decorator fabrics.

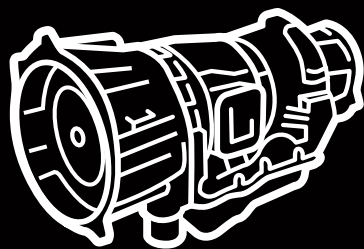

## TOUGH ENGINE, EASY DRIVING

The Seneca is constructed on a 22,000-pound Chevy™ Kodiak® chassis for maximum cargo carrying capacity. It sports a Duramax® V8 turbo diesel engine with 6-speed Allison® 1000 Series transmission with overdrive, 150-amp alternator and 1000-watt engine block heater. In addition, its 53-degree turning radius and new 19,000-pound rated rear springs provide a smoother ride and easy drivability.

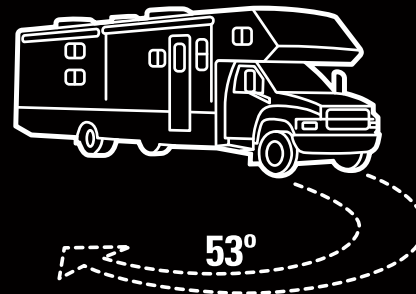

### ENGINE

The Seneca sports a super powerful Duramax® V8 turbo diesel engine for maximum carrying capacity.

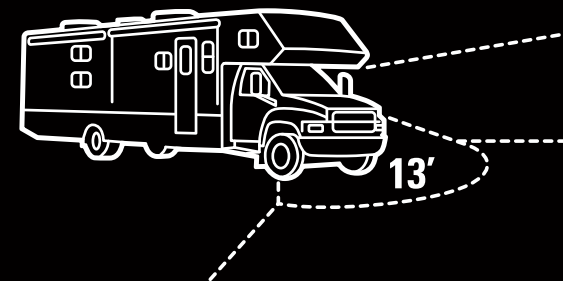

### TRANSMISSION

The Allison® 1000 Series transmission with overdrive keeps your ride smooth and offers superior performance in different types of road conditions.

### TURNING RADIUS

Tight corners are no problem and maneuverability is a breeze, thanks to the Seneca's generous 53-degree turning radius.

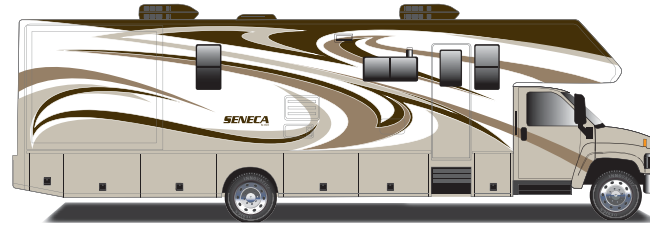

### VISIBILITY

Seneca's large windshield, sloped hood and smart cab design make it comfortable to drive and easy to see objects as close as 13 feet from the bumper.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the motorhome, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

## 2009 SENECA

### We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

### Customer First Roadside Assistance

Travel worry-free in your Seneca™ with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- **Free** custom trip routing and full color map service
- **Free** dispatch of on-site mechanical service
- \$2,000 trip interruption reimbursement
- **Free** jump starts
- **Free** tire changes
- **Free** fuel delivery
- **Free** lockout service
- **Free** travelers checks

### Why a Local Jayco Dealer is Important to You

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walk through at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

Your Jayco Dealer

AMERICA'S MOST LIVEABLE RV'S

## IT'S ALWAYS BEEN ABOUT "LIVEABILITY"

Lloyd Bontrager went into the RV manufacturing business in 1968 to improve the camping trailer lifter system. He knew that a better lifter system would mean a more "liveable" camping experience for his family and so many others.

More than forty years later, and now the largest family-owned RV manufacturer in the world, this priority still rings true at Jayco. As we work to continue building "America's Most Liveable RV's," we do it with one goal in mind—to improve the RV experience and help make "family time" truly memorable.

See dealer for further information and prices. All information in this brochure is the latest available at the time of publication approval. Jayco reserves the right to make changes and to discontinue models without notice or obligation. Photos in this brochure may show optional equipment and props for photography purposes. RVs built for sale in Canada may differ to conform to Canadian codes. E-Z Lube is a registered trademark of the Dexter Axle Company. Carefree is a registered trademark of Carefree of Colorado.
