

2009
EMBARK

MOTORHOMES BY JAYCO®

Power Broker. The 2009 Embark is the perfect balance of power and security. Built on a Freightliner M2 Chassis with a 330 horsepower Cummins ISC diesel engine and a 6-speed Allison automatic transmission, the Embark gives you all the power you need. And with a spacious cab, surprisingly tight turning radius and excellent visibility, you'll feel at home behind the wheel.

2009 EMBARK

PROTECTION FROM THE ELEMENTS

Jayco's TuffShell™ fiberglass one-piece vacuum-bonded roof 4 provides first-class protection from rain, heat and noise with UV inhibitor, 5" welded aluminum trusses 5, and bead foam insulation 6 (R25).

DURABLE CONSTRUCTION

Our TuffShell™ sidewall construction features a lightweight aluminum frame 1, efficient bead foam insulation (R-9 max), 2 3/16" plywood 3 and steel backer plates that are vacuum-bonded for superior strength and weight reduction.

FIRM FOUNDATION

With a 1 1/2" welded steel frame 9, steel support trusses 10 and 3/8" one-piece Structurwood® flooring 11, the Embark's foundation is built to withstand the rigors of road travel. And with heavy duty automatic hydraulic leveling jacks 12, a durable carpet pad 13 and easy-care carpet 14, the Embark is also ready for the trials of everyday living.

CONVENIENCE AND COMFORT

An array of design details give the Embark that something extra that is only appreciated over time: aerodynamic design 15 gives you better handling on the road; easy access to storage 16 reduces frustration; tinted safety glass windows 17 give you privacy and efficiency; central air conditioning 18 and an electric awning 19 make it easy to stay cool both inside and out.

POWER FOR THE ROAD

A 330hp (2,000 rpm) Cummins®ISC Diesel Engine 7 combines with the 6-speed Allison® automatic transmission and a 20,000 lb. hitch 8 to give the Embark up to 10 tons of towing capacity that can pull just about any boat, vehicle or trailer you want to take with you.

PEACE OF MIND

With a 2-year Co-Pilot manufacturer's limited warranty* and over 300 Jayco dealers throughout North America, our owners enjoy peace of mind.

* For full warranty details, see back cover.

Luxury and space

You have to have it just right—plenty of space and the luxurious details that make your life easier and more enjoyable. And that's what you get with the 2009 Embark: expansive interiors, four slideouts, an ingenious floorplan and luxurious details such as dual living area HD TVs, solid hardwood cabinetry, plush carpeting and floor tile. Let the Embark bring luxury and space together for you.

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies.

The dedicated air conditioner and control panel give you efficient control of the bedroom, while the 19" HD LCD TV and queen-size pillow-top mattress round out the Embark's exquisitely designed sleeping environment.

ENTERTAIN ANYWHERE

The standard outside entertainment center features AM/FM/CD/DVD Stereo and 32" LCD TV.

SMOOTH RIDE

Alloy wheels, a 55° wheel cut and Michelin® tires offer a smoother ride and improved braking.

COMMAND CENTER

A one-stop control panel makes getting setup and getting ready to go a snap.

COMFORTABLY DRIVEN

Be in control with Embark's standard back up camera, GPS navigation system and adjustable steering column.

2009
EMBARK

QX390 | TAUPE

A fiberglass radius shower enclosure, glass shower door, skylight, large sink, high capacity fan and porcelain toilet give the Embark's bathroom a refined sense of elegance.

The well-equipped kitchen boasts Honex™ solid surface countertops with an integrated dual bowl design, beautiful standard Northridge Maple solid hardwood cabinetry and a 10 cubic foot flush-mount refrigerator with double door.

Leather seating combines with a solid wood table top to create a stylish dining environment for entertaining or everyday.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories.

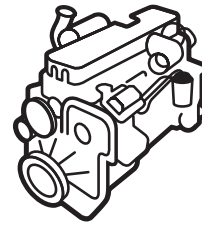

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

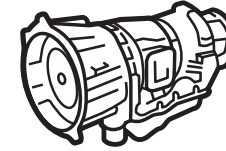

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

THE FREIGHTLINER M2-106 CHASSIS

The Freightliner® M2-106's 55-degree turning radius, best-in-class visibility and aerodynamic design make the Embark easy to handle. While the powerful Cummins® ISC 330 HP engine and 6-speed Allison® transmission provide 1,000 lb-ft of torque at 1,400 RPM, making towing seem effortless.

2009 EMBARK

We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Customer First Roadside Assistance

Travel worry-free in your Embark™ with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- **Free** custom trip routing and full color map service
- **Free** dispatch of on-site mechanical service
- \$2,000 trip interruption reimbursement
- **Free** jump starts
- **Free** tire changes
- **Free** fuel delivery
- **Free** lockout service
- **Free** travelers checks

Why a Local Jayco Dealer is Important to You

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walk through at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

AMERICA'S MOST **LIVEABLE** RVs.

IT'S ALWAYS BEEN ABOUT "LIVEABILITY"

Lloyd Bontrager went into the RV manufacturing business in 1968 to improve the camping trailer lifter system. He knew that a better lifter system would mean a more "liveable" camping experience for his family and so many others.

More than forty years later, and now the largest family-owned RV manufacturer in the world, this priority still rings true at Jayco. As we work to continue building "America's Most Liveable RVs," we do it with one goal in mind—to improve the RV experience and help make "family time" truly memorable.

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

JayPlus

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
