AMERICA'S MOST LIVEABLE RVs.

2010 PRECEPT

Free Spirit

The best

PRECEPT®
2010 Motorhomes by Jayco®

FUEL EFFICIENT

Delivering a best-in-class 16-18 miles per gallon*, the Precept is powered by a Mercedes-Benz® 3.0L V6 CRD turbo diesel engine and a five-speed automatic transmission with overdrive.

* Internal testing subject to independent verification.

LIVEABILITY MEETS INGENUITY

of both worlds.

Boasting a previously unheard of 16-18 miles per gallon rating*, the new Precept is designed for people who are as concerned about fuel economy as they are comfort. And it's raising the bar for Class C motorhomes everywhere, combining excellent fuel efficiency with full-featured luxury. Whether you're navigating crowded city streets or narrow mountain passes, Precept's smaller size and nimble nature make every minute behind the wheel an unforgettable adventure, while its Euro-style interior ensures your passengers will have an equally memorable time.

MANEUVERABLE

Built on a Dodge® Sprinter chassis, and featuring rear stabilizer springs and an adaptive electronic stability program (ESP), Precept's responsive handling separates it from conventional Class C motorhomes.

DURABLE

Precept is built to last with our TuffShell™ vacuum-bonded laminated floor and sidewalls, welded aluminum sidewall framework, and a one-piece fiberglass roof.

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

PRECEPT 24SDS | KHAKI

SIMPLY BETTER.

With Precept, there's no trade-off between fuel efficiency and comfort. In fact, Precept's interior design is every bit as ground breaking as its MPG rating. A 22" LCD HDTV, Provincial Glazed Maple curved cabinetry with curved doors and drawers, decorative nickel hardware, Dream Dinette™, and high-intensity recessed halogen lighting are just a few of the stylish features that make traveling in your new Precept as enjoyable as it is economical.

CONTEMPORARY ROOMY

Precept's kitchen features all the comforts of home, with a three-burner stove, convection microwave, range hood and under-cabinet lighting.

ROOMY

The bedroom has plenty of room for your belongings with overhead storage cabinets and an innovative under-bed storage area.

REFRESH

Clean up in Precept's comfortable bathroom, with retractable shower door, stainless-steel sink and a shower skylight.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

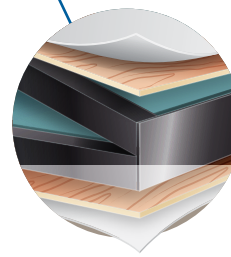

FLOOR

Vacuum bonding joins our welded aluminum frame with a heavy-duty Structurwood® floorboard to create one of the strongest foundations in the industry.

WALLS

TuffShell™ vacuum-bonded lamination combines with welded aluminum frames and metal backers to create a durable structure designed to withstand use and travel.

ROOF

The laminated, vacuum-bonded roof is comprised of ¼" plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-23) and a seamless fiberglass shield that protects against moisture and resists aging.

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

Jayco liveability

DRAWER GUIDES

New ball bearing drawer guides provide smooth operation and full-drawer extension.

STORAGE

Keep bulky gear out of the way in Precept's lockable, lighted exterior storage compartments.

EXTERIOR SPEAKERS

Bring your music and TV outdoors as you entertain with high-output marine-grade exterior speakers.

PATIO AWNING

Extend your living space even farther with our standard Carefree® patio awning.

HIDDEN CABINET DOOR HINGES

Hidden cabinet door hinges add to Precept's Euro-style interior design.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

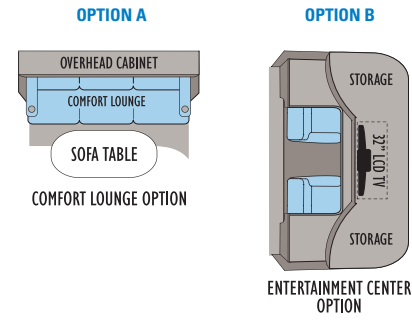

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable.

Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Your Jayco Dealer

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
